“I want to help patients to the best of my ability. Part of that is helping patients take an active part in their health care.”

About Ayesha Sajid Ali, MD

Dr. Ayesha Ali specializes in internal medicine. She works mainly with the geriatric population and performs a wide range of joint injections. She is passionate about providing quality medical care to her patients and supports them and their loved ones when and where they are needed. “I want to help patients to the best of my ability,” Dr. Ali said. “Part of that is helping patients take an active part in their health care.”
